# About the book

Hi! My name is Sprinkles. Bree is my new owner. She thinks I am the cutest silver lab with blue eyes ever! Her family rescued me from the local shelter. This book is all about my first day home.

Kids like routine. Structure and stability feels safe for children. But life doesn't stay the same. Families move houses, kids change schools, friends shift away or stop being friends, parents can separate and every year they'll probably have to face a new teacher. Life changes are inevitable, but that doesn't make them any easier for children to manage.

Young listeners and first-time readers follow Sprinkles on her first day in her new home after being rescued from an animal shelter. Their exposure to the puppy's range of emotions can help them with understanding and adjusting to change of any kind, addressing their feelings, and learning new strategies and skills along the way.
